Message from the Chief  
Learning Officer (CLO)  
HHSU Online:

Dear Colleagues, I am  
pleased to announce your  
new monthly learning and  
development resource –  
Training eLert!

The “*Joy of Learning Enabled  
Through Access!*” Now,  
more than ever, every single  
HHS employee should take  
full advantage of the wealth  
of learning and development  
resources that are at your  
fingertips for free.

HHS University Online is  
your partner in your own  
individual learning journey  
and has made available a  
gateway for you to do it.

Whether you want to  
expand your knowledge,  
skills and/or abilities or earn  
a certification or degree,  
HHSU can help. Read the  
Training eLert or visit our  
website for more  
information.

**R**U Ready to take *full* advantage of HHS’ learning and  
development opportunities?

[The HHS Learning Portal is a Learning Management System \(LMS\) with over 3,000+ courses, 1,500+ video leadership segments and 19,000+ books available to you for FREE, anytime, anywhere you are.](#)

- ❖ **FREE Web Based Courses** – **3,000+** courses covering **100s** of topics. The LMS is more than a resource for mandatory training.
- ❖ **FREE 19,000 + Books/Videos** available **24 x7** with kindle, iPad and mobile access.
- ❖ **FREE Certification Courses** in a wide range of topics, including Business, Project Management, Human Resources, and Information Technology certifications.
- ❖ **FREE Knowledge Centers** that delivers self-study training topics and tracks, such as in leadership and management.
- ❖ **1,500+ FREE Short Video** segments on leadership topics.
